

## CANDY MESSAGES

Everyone wants to feel appreciated, so remember to thank your donors for their generous gifts. Thank you messages and gifts don't have to be big and extravagant. An easy and creative way to say thank you is by using candy with a message attached. Use these messages to kick off your campaign, as reminders during your campaign or as a thank you after your campaign has ended. Here are some ideas to get you started!

They also make a great fundraiser, as a Candy Gram from one employee to another that can be delivered with one of the following messages. It let's people know that someone is thinking of them!
